

1. Register online

Go to stem.org.uk/register and select STEM Ambassador

2. Register on the Forestry Ambassador Scheme

- On your new profile select 'Forestry Ambassador' on the scheme section under the 'Skills and Qualifications' tab.
- If you're happy to, tick the box to share your details with any schemes so you can be contacted about additional training, opportunities and resources

3. Connect with your local STEM Ambassador Hub

Once registered you will be automatically linked to your local Hub.

5. Apply for a free DBS or PVG Check

Essential for working with young people, this will also include an ID check by someone from your local Hub.

4. Online induction

Find out what to expect as a STEM Ambassador.

6. Begin volunteering

Once you've received your approved DBS or PVG certificate you're ready to go!

Get started by:

- Signing up for an activity with a school or youth group
- Improve your skills with our free online courses
- Offering an activity to schools and youth groups near you
